Hospice Offers a Day of Hope and Remembrance

Hayden, ID—Hospice of North Idaho has walked beside individuals on their journey through grief for 36 years. Our community-centered mission is focused on caring for the seriously ill and those touched by the loss of a loved one. We believe that the process of grief is unique to each person, because the relationship with their loved one is unique. The renewal of Spring brings us a beautiful opportunity to share in remembering those we have lost in the hope of finding comfort in those memories.

Join Hospice of North Idaho for a day of hope and remembrance at the Spring Memorial on April 29th at 3:00 P.M. held in the beautiful Jacklin Arts and Cultural Center in Post Falls.

“In the spirit of hope and the comfort of remembrance, we want to encourage all members of our community to reflect on the memories of the loved ones we have lost.” says Kaylee Kron, event coordinator.

Executive Director Kim Ransier welcomes our community to hear words of encouragement from guest speaker Pam Thompson, honor your loved ones, and be uplifted with song and music. Light refreshments and treats will follow.

As spring approaches, we are reminded that even after the dreariest of winters, there is hope for a sunny day. Hospice of North Idaho is a community resource for anyone, at any age, grieving the loss of a loved one. Our grief and loss programs are tailored to support children, teens, and adults and each unique experience of grief. Let us join you in your journey through grief.
